## This Week at St. John

Sun	9:00 am	Coffee & Donuts and Easter Egg Hunt
Tue	5:00 pm	NO Mass

**1<sup>st</sup> Communicant:** Congratulations to Jasmen Meredith who will be receiving her 1<sup>st</sup> Communion on Easter Sunday.

**Read the Gospel:** Let us read the Gospel, a small section each day. This way we will learn what is most essential in our lives: love and mercy. – Pope Francis

**He Has Risen:** Ten little fingers, ten little toes. On Christmas, he came. On Easter, he rose.

**Easter is More than a Day:** Easter is not merely one day but an entire season. The Easter season stretches for fifty days from Easter Sunday to Pentecost. The Easter season is marked by the joyful celebration of Christ's resurrection and the Church as witness to the resurrection. The Sunday readings change during this season; the Old Testament reading is replaced by stories of the earliest disciples evangelizing in the Acts of the Apostles. We are still called to witness to the resurrection more than two thousand years later!

**Easter Eggs:** The egg has been symbolic of life from ancient times. The cracking of the egg calls to mind the opening of the tomb of Christ at the moment of the Resurrection.

**The Passover Lamb:** Jesus Christ is the Paschal Lamb, "the Lamb of God who takes away the sins of the world." This recalls Jesus' identity as the Passover lamb of the new and eternal covenant who frees us from the slavery of sin and makes possible for us eternal life.

**Butterflies:** Caterpillars emerge from their cocoons in the spring and are transformed into butterflies. The threefold events of the butterfly's life mirrors Christ's — (1) his life (the caterpillar), (2) his death and burial (the cocoon), and (3) the resurrection of his body (the butterfly).

**Easter:** On Easter Sunday we celebrate our redemption through Christ's death and resurrection. Every other Sunday of the year is considered a "little" Easter. To understand Easter, we have to understand the greatness of God's love for us. From the very beginning, He loved us so much that He sent His only Son to be one with us, to share our humanity and to bring every human being into a full and joyful friendship with God. Because of our sin, when the Son came to be with us, it meant a sharing in our suffering and death - even death on a cross - but in a mysterious sense this only served to reveal the hugeness of that Divine Love, and to draw us even more closely to God. That is what Easter are all about.
