**Bells, Bells, Bells:** A wonderful addition to our church would be an electronic bell system that would chime every quarter hour and sound the hour of the day. It would also play hymns at various times of the day and ring the angelus at 6 am, 12 noon and 6 pm. A bell system costs around \$8,000. If anyone would like to donate the money or a part of the money we could pursue this project.

**Best Picnic Ever:** What a wonderful picnic we had this year. A BIG Thank You to all of you who made this possible. God blessed us with a beautiful day.
