Why We Do That At Mass - The Creed: The homily is followed by a few moments of silence during which we thank God for the word we've heard and apply the message of the readings to our daily living. We then stand and recite the Creed. The Creed is a statement of our faith in the word we've heard proclaimed in Scripture and the homily and a profession of the faith that leads us to give our lives for one another as Christ did for us. Originally, the Creed was the profession of faith of those to be baptized at this point in the Mass.
